COUNTY OF LOS ANGELES

HALL OF JUSTICE

ALEX VILLANUEVA, SHERIFF

April 13, 2020

The Honorable Kathryn Barger
Chair, County of Los Angeles
869 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisor Barger:

REQUEST FOR CURE AND CORRECTION VIOLATION OF THE BROWN ACT

This letter is to call your attention to what I believe is a substantial violation of a central provision of the Ralph N. Brown Act, and Article 1, Section 3, of the California Constitution, which may jeopardize the finality of the action taken by the Los Angeles County Board of Supervisors (BOS).

The nature of the violation is as follows:

On April 3, 2020, without a public meeting and opportunity for public input, the BOS took action to unilaterally draft and unanimously sign a letter to the Sheriff of Los Angeles County, condemning his public exposure of the BOS' failure to compensate employees for time away from work while under Los Angeles County (County) mandated quarantine in March.

This action was not taken within compliance of the Brown Act and Article 1, Section 3 of the California Constitution because it occurred where there was no adequate notice to the public on the posted agenda for the meeting the matter acted upon would be discussed, and there was no finding of fact by the BOS of that urgent action was necessary on a matter unforeseen at the time the agenda was posted.

In the event it appears to you that the conduct of the BOS specified herein did not amount to the taking of action, I call your attention to California Government Code

211 WEST TEMPLE STREET, LOS ANGELES, CALIFORNIA 90012

A Tradition of Service
— Since 1850 —

Section 54952.6, which defines "action taken" for the purposes of the act very expansively.

As you may be aware, the Brown Act allows the legal remedy of judicial invalidation of illegally taken action. Pursuant to Government Code Section 54960.1, I respectfully request at this time the BOS cure or correct the illegally taken action as follows:

The BOS must fully rescind their letter to the Sheriff dated April 3, 2020, until such time the County can accommodate a proper hearing, which by law shall be publicized with sufficient notice and include appropriate public access, and the public's right to informed participation.

I respectfully request a formal and explicit abrogation of the letter to me dated April 3, 2020, with a disclosure at a subsequent meeting of the reasons why the individual members of the BOS took the positions they did, with the full opportunity for informed comment by members of the public at the same meeting, notice of which is properly included on the posted agenda.

In this particular case, public access to any and all documents in the possession of the BOS related to this action should be made available to the public on request at the offices of the BOS and at the meeting at which reconsideration of the matter is to occur.

As provided in California Government Code Section 54960.1 you have 30 days from the receipt of this letter to either cure or correct the challenged action, or inform me of your decision not to do so.

If you fail to cure or correct this violation of the Brown Act, I will have no other recourse but to seek a judicial intervention of the challenged action pursuant to Government Code Section 54960.1, in which case I would ask the court having jurisdiction to order you to pay the court costs and attorney fees in this matter, pursuant to Government Code Section 54960.5.

Should you have any further questions, I can be reached at [REDACTED].

Sincerely,

A handwritten signature in blue ink, appearing to read "Alex Villanueva", with a stylized, cursive script.
